

Dear Hillside,

We are praying for you and for our Province at this uncertain time. We are especially praying for our Government leaders and those who work in the health care system.

In light of the announcement today that Zone 1 (our Moncton area) and Zone 5 (Campbellton area) in New Brunswick is moving to the orange level in our COVID health alert we are **suspending all on-site services and programs**. Here is the NB news release:

[https://www2.gnb.ca/content/gnb/en/news/news\\_release.2020.10.0517.html](https://www2.gnb.ca/content/gnb/en/news/news_release.2020.10.0517.html)

This means that our plan to have on-site Thanksgiving services, kids programming, and student programming will NOT happen this Sunday, October 11<sup>th</sup>, 2020 - **everything is moved online**. We are disappointed too; we were very much looking forward to seeing you in person. However, be sure to check us out online because we have a really special service planned that you won't want to miss.

Until further notice, and until the situation changes in New Brunswick, **all Hillside services and programs will remain online**. We look forward to building connection and community with you online. Hillside Huddles are able to continue **only** with those in your designated two-household bubble. Keep your contact numbers low. Do not invite or include others that are not in your set, designated two-household bubble.

During COVID-19, our decisions are continuously and prayerfully being guided by three priorities:

- i. the safety of our Hillside church family and our neighbouring communities;
- ii. the New Brunswick government's regulations and guidelines from the Chief Medical Officer
- iii. a desire to engage people with God and with one another in community in order to lead people to become fully devoted followers of Jesus.

Thank you for caring for one another and keeping one another safe at this time.
