

TREAT STREET

A Driving Scavenger Hunt

PLEASE NOTE: Do not leave your vehicles at any of the trunks or the church, and only travel with household/bubble members in your vehicle.

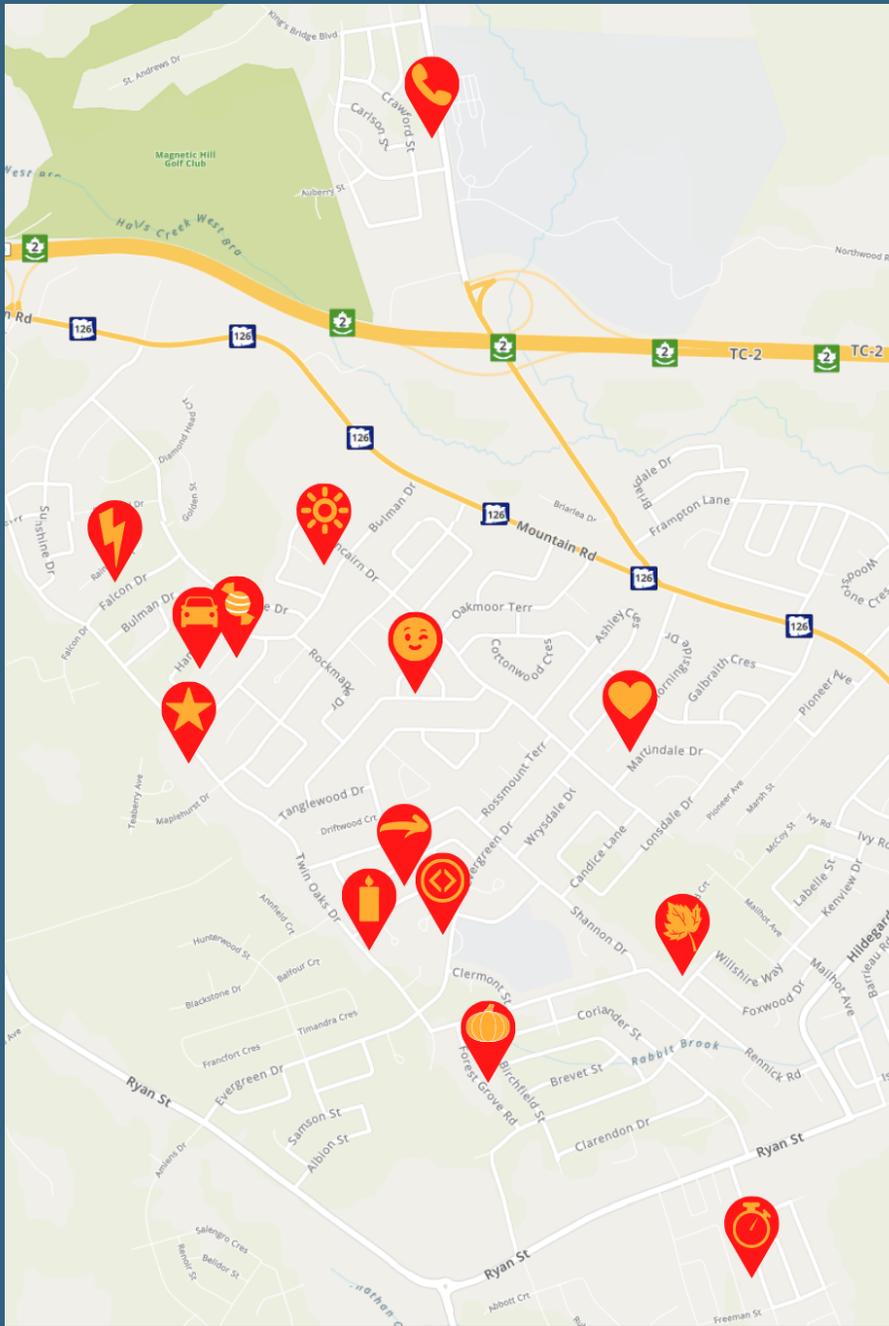

- Watch the Introduction Video [HERE](#).
- Dress up in your Halloween costumes, get your whole family together in the car, and then follow the map on the next page to find the decorated trunks!
- As you visit each trunk, you can work to decode the secret message on the last page. There will be a symbol displayed at each trunk that will help you figure out the letters!
- Once you have found all the trunks, and decoded the message, you can head to Hillside (2290 Mountain Road) to find a special display showing the secret message! You will also be able to drive-through to pick up treat bags for your kids and hot chocolate for the whole family! (Again, you won't need to leave your vehicle and the drive-through will be contactless.)

Finally, we would love to see pictures of your family dressed up and taking part in Treat Street! As a bonus, if you take a picture of your family in your car doing the scavenger hunt and post it on our Hillside Kids Facebook post, your family will be entered into a draw for a gift card to the Candy Depot!
