Best Use

Nutritional Value

Create a New Year's tradition to collect special memorabilia and a fun family time to celebrate a year of blessings.

Advance Preparation

Make sure you have the following on hand

- Box
- Stuff to decorate the box: Scissors, pencils/crayons, stickers, magazine clippings, photos

Follow these steps for a great experience...

1. Gather together as a family and decorate your box.
2. Let everyone add a personal touch to the box. Mark the box with the year.
3. Spend some time talking about the upcoming year, what you want to do together, some things that each family member wants to accomplish, and any family prayers. You can write this down on the sheet provided and keep it with your box.
4. Take some time to pray together for the upcoming year.
5. Put the box in a special place where everyone will see it.
6. All year long, fill the box with things you're grateful for and family milestone items (such as ticket stubs, photos, birthday invites, trinkets, funny quotes, etc).
7. Then, on New Year's Eve you will be able to open the box and relive the year of memories together, and thank God for all the answered prayers and many blessings you've experienced as a family.
8. Then it is time to make a memory box for the next year!

Optional: After you go through your memory box on New Year's Eve, keep any special or significant items and put them in a special album or journal.
