Follow the Leader

Supplies from bag: none

In today's Bible story, God's people promised to follow God. Let's play a game of follow the leader! Walk around the room doing silly actions. The person in front gets to pick which action to do while the people following mimic what that person does.

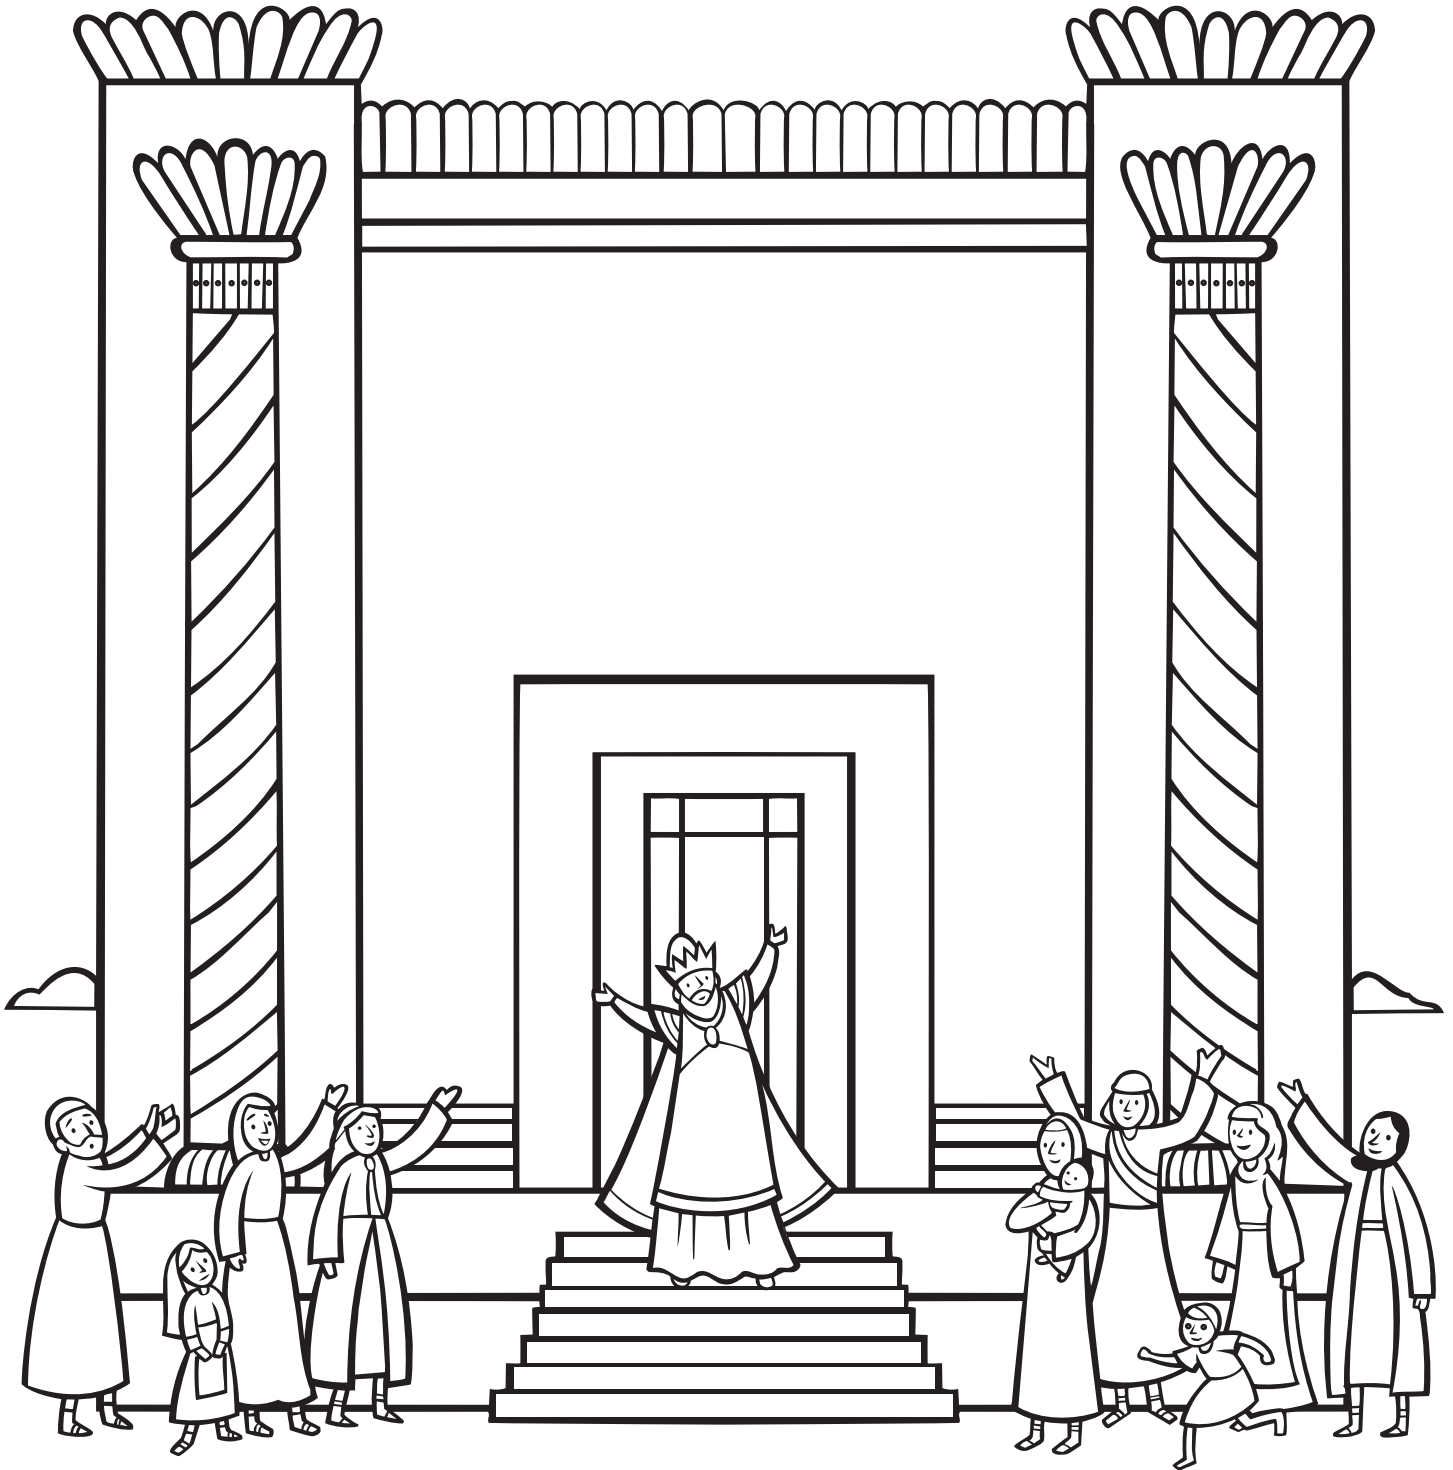

Once you've taken turns leading the actions, talk about these questions:

- What did you like best about following the leader?
- What does following someone mean you have to do?

What is one way you can follow God this week?

GOD'S PEOPLE PROMISE

This is the temple that God's people promised to build. Color the temple. Tell your family about God's promise to always take care of his people.
